Fulmar marine services established in 2021 in Bangladesh.

We are providing best quality supplies that modern ship owner/operators require through the utilization of an audacious import strategy, and aligning this with our customer focused service ethics. Fulmar marine services are shaping the future of the ship vsupply industry in Bangladesh. Utilizing our extensive inventory in excess of 45,000 marine store items, and combining this with our qualified efficient workers and the latest technology, FMS thus is able to offer, what we believe to be market-leading performance service to our customers.

Our ultimate satisfaction is to fulfill our customers requirements.

VISION

To be recognized as the leading global ship chandling company, setting new industry standards for excellence, sustainability, and customer satisfaction. We aim to be the first-choice partner for ship owners and operators worldwide, providing comprehensive chandling solutions that enable smooth and successful voyages. Join us at Fulmar Marine Services as we embark on a journey of unparalleled service and commitment to excellence in the maritime industry. Together, we sail towards a brighter future, where ships and their crews can rely on us for all their chandling needs.

MISSION

Our mission at this Fulmar Marine Services is to be the cornerstone of maritime success, providing comprehensive, efficient, and sustainable solutions that exceed expectations. We are committed to:

- Unparalleled Service: Offering a seamless and reliable supply chain, ensuring vessels receive top-quality provisions & stores, wherever they sail.
- Innovation & Adaptability: Embracing technology and constantly evolving to meet evolving industry needs, providing cutting-edge solutions while remaining agile in a dynamic maritime landscape.
- Sustainability & Responsibility: Promoting environmentally friendly practices, minimizing our ecological footprint, and advocating for sustainable solutions in every aspect of our operations.
- Customer-Centric Approach: Prioritizing customer satisfaction by understanding unique vessel requirements, delivering tailored solutions, and fostering long-term partnerships based on trust and transparency.
- Global Reach: Establishing a worldwide presence, leveraging our network to serve vessels in every port, ensuring seamless support and provision delivery around the clock. Through these commitments, we aim to be the preferred partner, supporting vessels in their journeys, and contributing positively to the maritime industry's advancement."
